

Diagram Report

CAT_Lib

Version 1.0 • Proposed

Author:

Davide Basile (ISTI CNR Italy)

Table of Contents

<i>automaton diagram</i>	3
label diagram	4
<i>action diagram</i>	5
state diagram	6
transition diagram	7
<i>converters diagram</i>	8
<i>family diagram</i>	9
converters diagram	10
<i>operations diagram</i>	11
interfaces diagram	12
<i>requirements diagram</i>	13

automaton diagram*Class diagram in package 'automaton'*

automaton

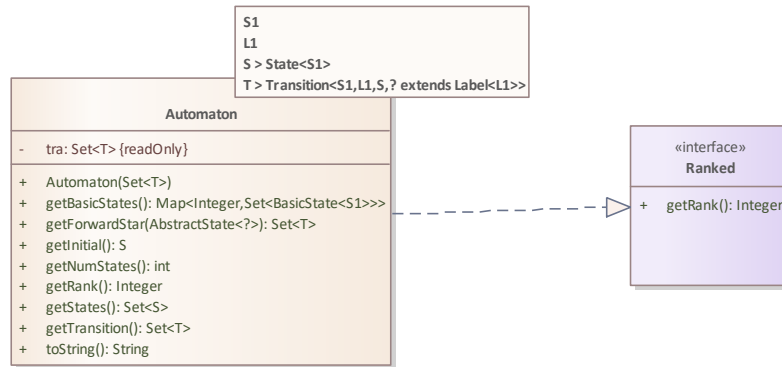

Figure 1: automaton

label diagram*Class diagram in package 'label'*

label

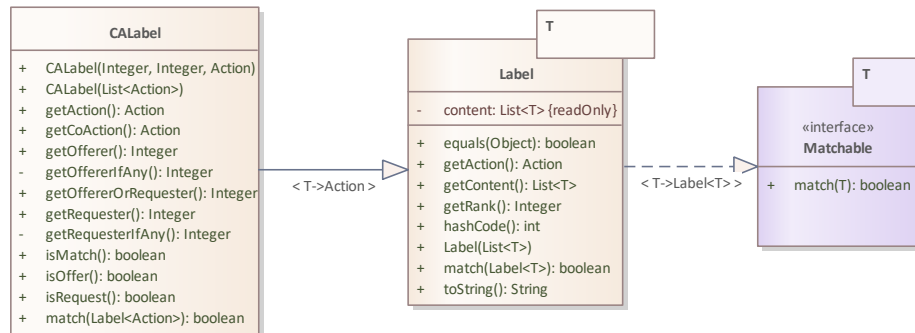

Figure 2: label

action diagram

Class diagram in package 'action'

action

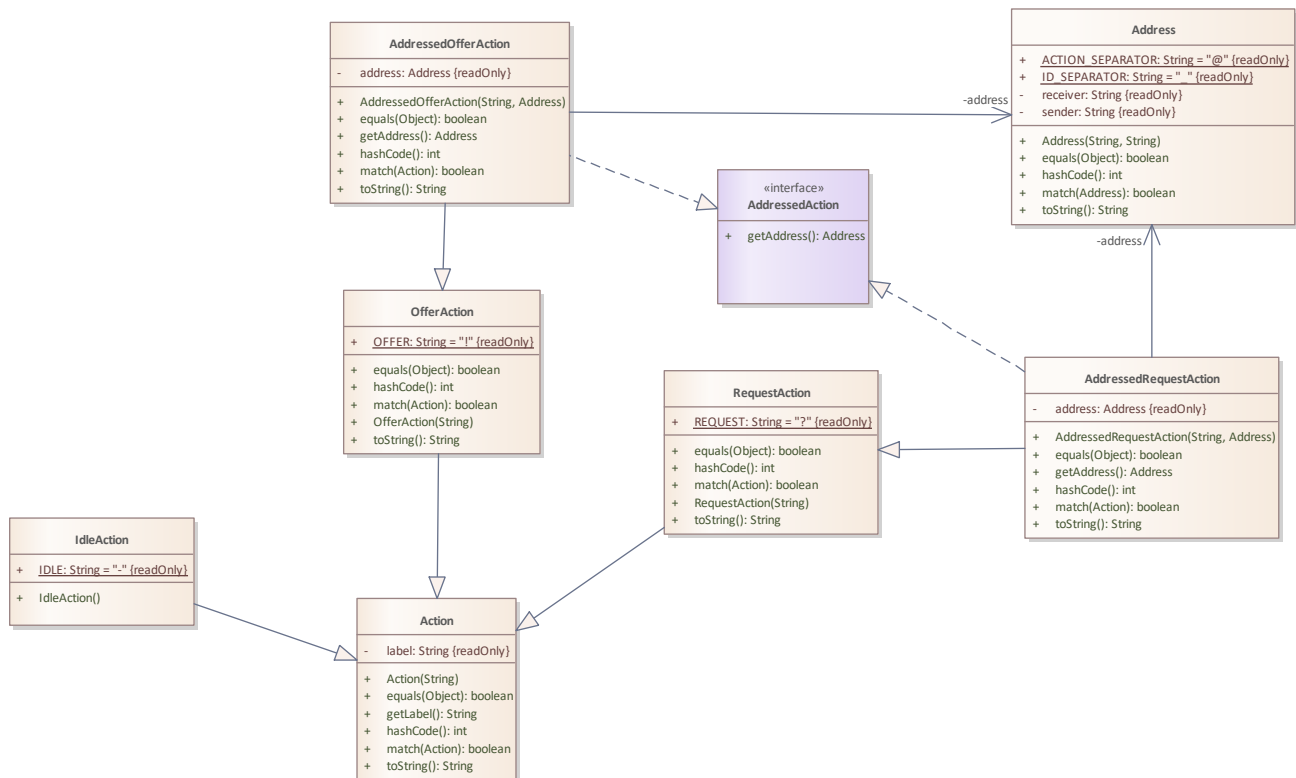

Figure 3: action

state diagram

Class diagram in package 'state'

state

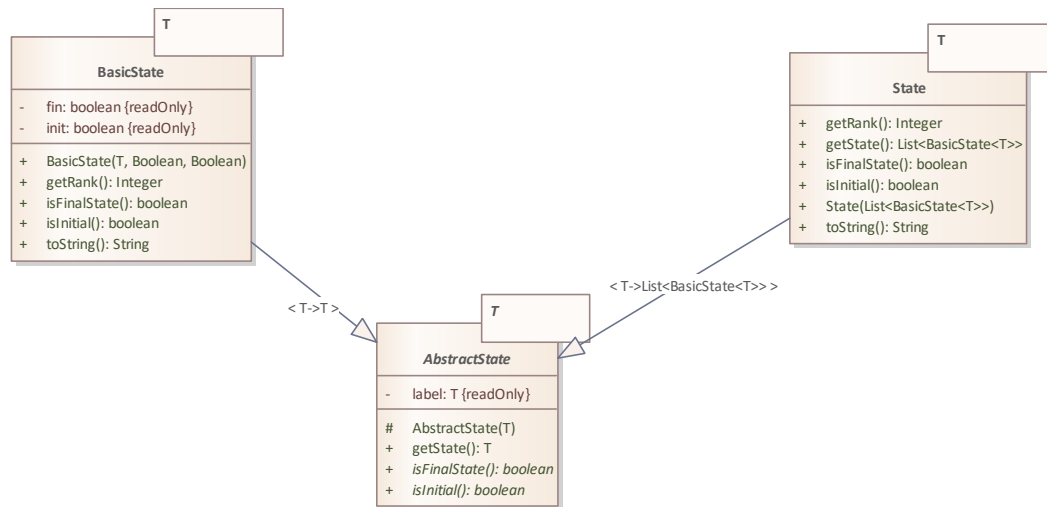

Figure 4: state

transition diagram

Class diagram in package 'transition'

transition

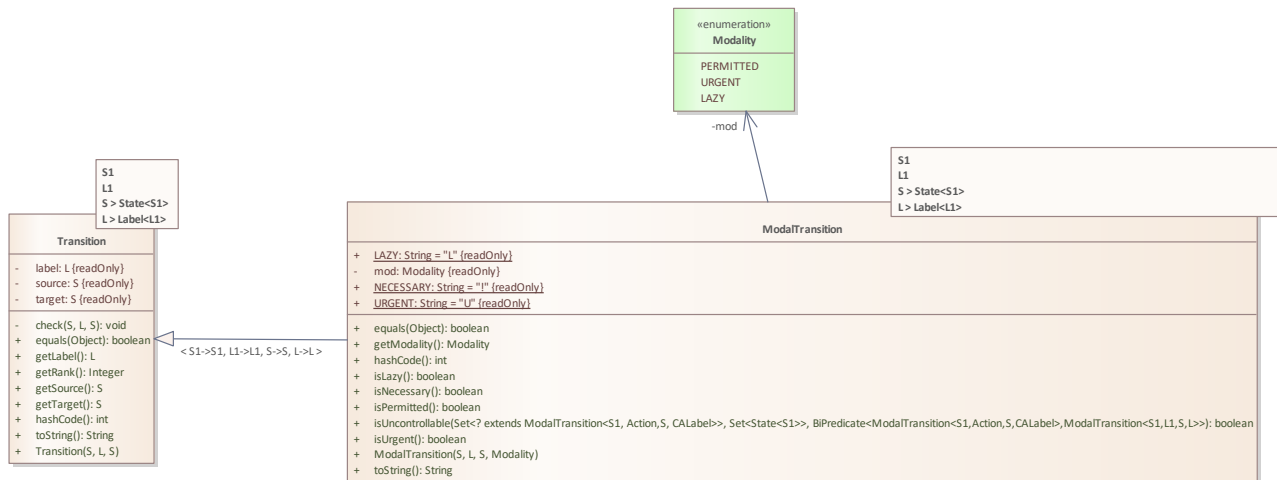

Figure 5: transition

converters diagram

Class diagram in package 'converters'

converters

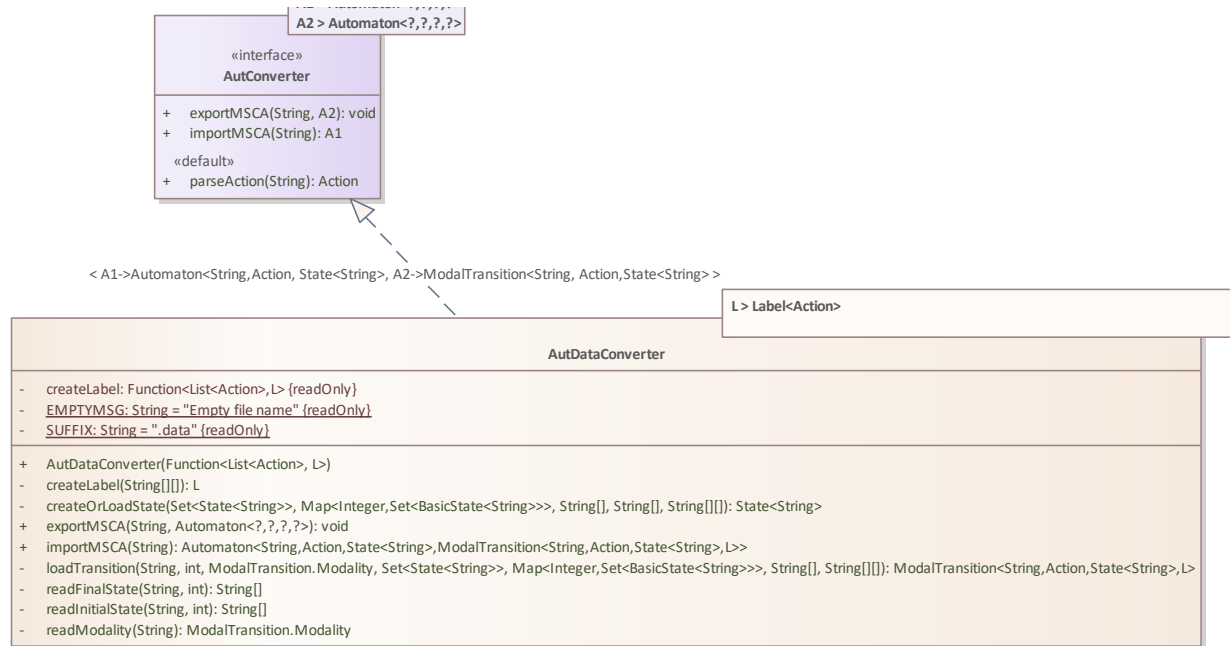

Figure 6: converters

family diagram

Class diagram in package 'family'

family

Figure 7: family

converters diagram*Class diagram in package 'converters'*

converters

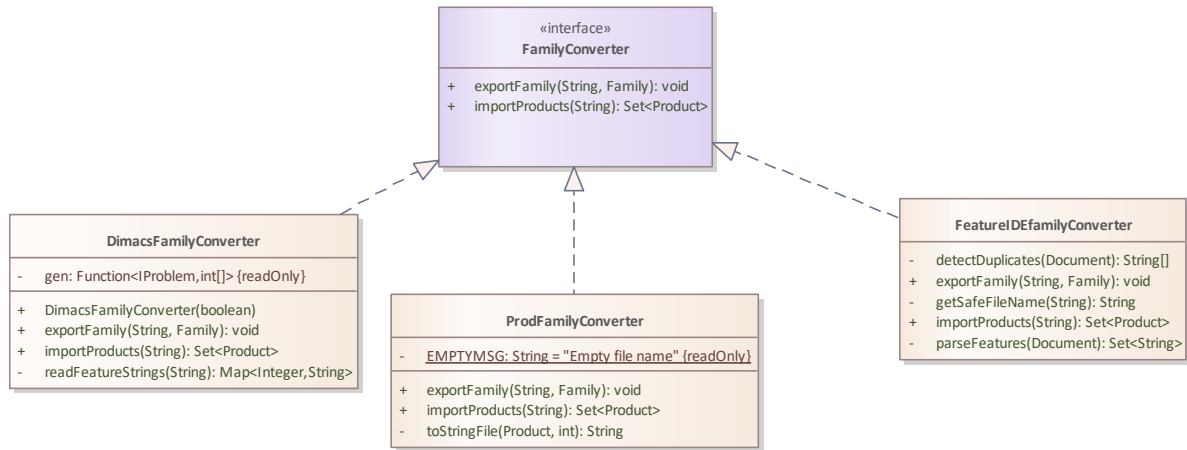

Figure 8: converters

operations diagram

Class diagram in package 'operations'

operations

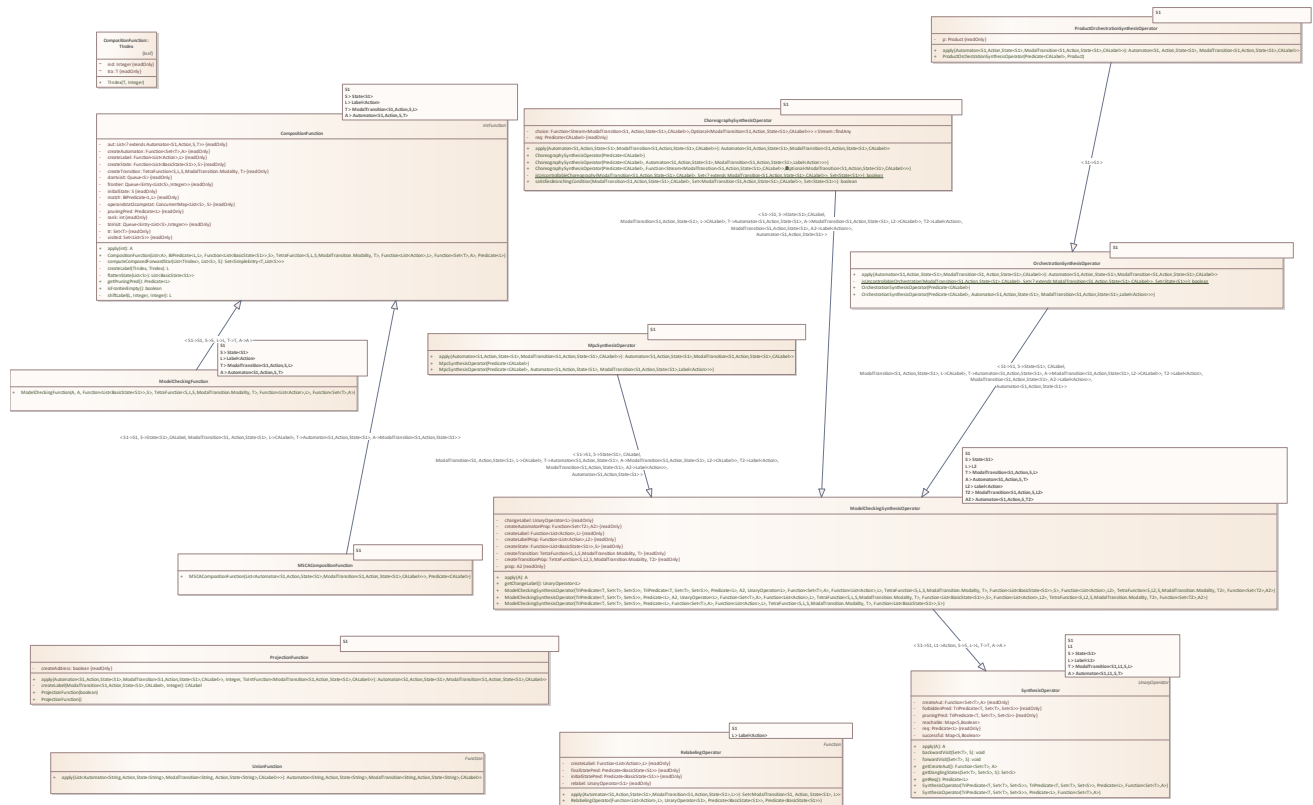

Figure 9: operations

interfaces diagram

Class diagram in package 'interfaces'

interfaces

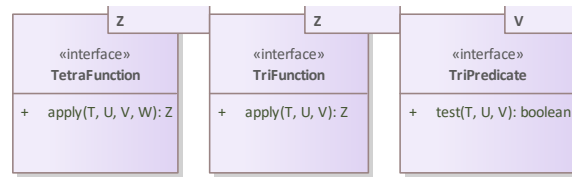

Figure 10: interfaces

requirements diagram*Class diagram in package 'requirements'*

requirements

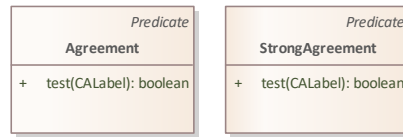

Figure 11: requirements
